

# END-TO-END GOVERNMENT-FOCUSED CREATIVE & MARKETING SERVICES

## COMPANY OVERVIEW

Since 2015 4B creates hands-on, high-touch, and consultative relationships with Federal, State and local governments and their partners to help them navigate the regulatory, threat, and budgetary landscape to enhance mission outcomes. We'll leverage customized, government-focused go-to-market strategies, traditional and inbound digital marketing solutions, and branding to help your agency complete missions and initiatives successfully.

## OUR DIFFERENTIATORS

- We're focused on your mission outcomes
- 25 years of experience working with government agencies
- A comprehensive marketing toolkit designed explicitly for federal, state, and local government agencies
- We genuinely understand how to market effectively in tightly regulated markets
- Consulting capabilities that extend beyond marketing to help you complete your mission
- WE'RE YOUR TRUE PARTNER

## PAST PERFORMANCE

- Increased SBIR program visibility for accounting services by 63% in 2.5 years
- Increased a federal technology integrator's revenue from \$150M to \$250M over 3 years, serving the federal, state and local governments
- Increased web traffic for a government program by 334%, with a 501% increase in traffic via Google search in 18 months
- Drove exponential visibility into the DOI FCHS Imagery Data Management program

## 4B IS HERE TO SUPPORT MISSION SUCCESS
